CONSENT FOR TELEHEALTH SESSIONS

1. I understand that my provider has offered tele-health services as an alternative to face-to-face sessions.
2. My provider explained to me how the video conferencing technology that will be used to affect such a session will not be the same as a direct client/health care provider visit due to the fact that I will not be in the same room as my provider.
3. I understand that a tele-health session has potential benefits including easier access to care and the convenience of meeting from a location of my choosing.
4. I understand there are potential risks to this technology, including interruptions, unauthorized access, and technical difficulties. I understand that my provider or I can discontinue the telehealth consult/visit if it is felt that the videoconferencing connections are not adequate for the situation.
5. I have had a direct conversation with my provider, during which I had the opportunity to ask questions in regard to this procedure. My questions have been answered and the risks, benefits and any practical alternatives have been discussed with me in a language in which I understand.
6. Telehealth services are generally billable through insurance, however I understand that it is ultimately my responsibility to determine if the service will be covered through insurance or if I will be responsible for the cost associated with the service.
7. **Telehealth by Simple Practice** and **Doxy.me** are platforms utilized by Persoma Counseling Associates to administer the tele-health service. Simple Practice and Doxy.me facilitate videoconferencing and are not responsible for the delivery of any healthcare, medical advice or care.
8. To maintain confidentiality, I will not share my tele-health appointment link with anyone unauthorized to attend the appointment.
9. Telehealth is NOT an Emergency Service and in the event of an emergency, I will use a phone to call 911. If I need to contact my provider outside of a tele-health session, I will do so through the phone contact information provided to me by my provider.
